

CURRICULUM VITAE

A. Personal information

Name	Natchaya Kunanithaworn
Gender	Female
Nationality	Thai
Mobile phone	+66934599990
E-mail	Natchaya.k@cmu.ac.th

B. Academic and professional training

Institution	Degree	Years	Field of study
Chiang Mai University	M.D. (first class honor)	2013-2018	Medicine
Chiang Mai University	Residency	2020-2022	Pediatrics
Chiang Mai University	Fellowship	2023-2025	Pediatrics infectious disease

C. Professional membership

2019 – present	Member of the Medical Council of Thailand
2023 – present	Member of the Royal College of Pediatricians of Thailand
2025 – present	Member of the Pediatric Infectious Disease Society of Thailand

D. Work and experience

2019- 2020	Internship, Maharaj Nakorn Chiang Mai Hospital, Faculty of Medicine, Chiang Mai University, Thailand
2020- 2023	Pediatric Department, Maharaj Nakorn Chiang Mai Hospital, Faculty of Medicine, Chiang Mai University, Thailand
March 2023	Elective Pediatric Residency Program, Division of Neonatology, Department of Pediatrics, Faculty of Medicine Ramathibodi Hospital, Mahidol University, Bangkok, Thailand
April 2023	Elective Pediatric Residency Program, Division of Infectious Diseases,

Department of Pediatrics, Faculty of Medicine Siriraj Hospital, Mahidol University, Bangkok, Thailand

- January 2024 TApHOD Concept Development Workshop (TREAT Asia), Bangkok, Thailand, January 16th, 2024
- March 2025 Medical Observership in the Division of Infectious Diseases, Sydney Children's Hospital, Randwick, Australia, 3rd -28th March 2025
- June 2025 Elective Pediatric Fellowship Program, Division of Infectious Diseases, Department of Pediatrics, Phramongkutklao Hospital, Bangkok, Thailand

E. Training

- 2022 Pediatric Advance Life Support course, Thai resuscitation council in June 2022
- 2022 Diploma in Clinical Epidemiology from Center for Clinical Epidemiology & Clinical Statistics, Faculty of Medicine, Chiang Mai University, September 10th - December 18th , 2022
- 2025 Good Clinical Practice (ICH-GCP) online training. Clinical Research Center, Faculty of Medicine, Thammasat University, 2025
- 2025 Good Clinical Practice (U.S. FDA Focus), GCP for Clinical Trials with Investigational Drugs and Medical Devices (U.S. FDA Focus), Collaborative
- Collaborative Institutional Training Initiative (CITI program), 16th August 2025
- 2025 Human Subject Protection (HSP), Certificate of Completion from National Research Council of Thailand (NRCT), 30th June 2025

F. Research presentation

- 2016 **Kunanitthaworn N.**, et al. How can amotivation be reduced among medical students. Oral presentation in International Association for Medical Education in Europe (AMEE) Annual Conference 2016; 27th – 31st Aug 2016; Barcelona, Spain
- 2016 Songtrijuck N, Paiboonsithiwong S, **Kunanitthaworn N**, Wongpakaran N, Wongpakaran T. Perceived support from family as a mediator of interpersonal problems and perceived stress among medical students. Proceeding of 15th Annual International Mental Health Conference and 13th Annual Child Mental Health and Psychiatry Conference; 8th – 10th Jun 2016; Bangkok.

- 2022 **Kunanitthaworn N.**, et al. Seroprevalence of Hepatitis A Virus (HAV) among Healthy Children and Adolescents in Northern Thailand: An Implication for Routine HAV immunization. 1st honor, Oral presentation in pediatric research day, Department of Pediatrics, Chiang Mai University, November 2022
- 2023 Oral presentation, Seroprevalence of Hepatitis A Virus (HAV) among Healthy Children and Adolescents in Northern Thailand: An Implication for Routine HAV immunization, 88th Pediatrics conference of Royal College of Pediatricians of Thailand, Pattaya, Thailand, April 2023
- 2024 **Kunanitthaworn N.**, et al, Scrub Typhus-Associated Hemophagocytic Lymphohistiocytosis Among Healthy Children: A Case Series from Northern Thailand, Oral poster presentation in Asian Congress of Pediatric Infectious Diseases (ACPID 2024); 13th-15th Dec 2024; Hong Kong

G. Research publication

- 2016 Paiboonsithiwong S, **Kunanitthaworn N**, Songtrijuck N, Wongpakaran N, Wongpakaran T. Learning styles, academic achievement & mental health problems among medical students. J Educ Eval Health Prof. 2016; 13: 38. <https://doi.org/10.3352/jeehp.2016.13.38>
- 2018 **Kunanitthaworn N**, Wongpakaran T, Wongpakaran N , Paiboonsithiwong S , Songtrijuck N , Kuntawong P, Wedding D. Factors associated with motivation in medical education: a path analysis. BMC Medical Education. 2018; 18: 140. <https://doi.org/10.1186/s12909-018-1256-5>
- 2023 **Kunanitthaworn, N.**, Mueangmo, O., Saheng, J. et al. Seroprevalence of hepatitis A virus antibodies among children and adolescents living in Northern Thailand: an implication for hepatitis A immunization. Sci Rep 13, 17432 (2023). <https://doi.org/10.1038/s41598-023-44643-0>
- 2025 **Kunanitthaworn N**, Pangprasertkul S, Kusontammarat P, Sathitsamitphong L, Charoenkwan P, Sudjaritruk T. Scrub typhus-associated hemophagocytic lymphohistiocytosis among healthy children: A case series from northern Thailand. Int J Infect Dis. 2025 Dec;161:108115. doi: 10.1016/j.ijid.2025.108115.
- 2025 Pangprasertkul S, Kusontammarat P, **Kunanitthaworn N**. Chest wall abscess with sternal osteomyelitis as an unusual complication following Bacillus Calmette-Guérin (BCG) vaccination in an infant: A case report. Int J Infect Dis. 2025 Nov 2;162:108184. doi: 10.1016/j.ijid.2025.108184.

H. Honor and awards

- 2019 First Class Honor, Doctor of Medicine, Chiang Mai University, Chiang Mai,

Thailand

- 2022 The 1st prize oral presentation award in pediatric research day, Department of Pediatrics, Chiang Mai University. November 2022, Seroprevalence of Hepatitis A Virus (HAV) among healthy children and adolescents in Northern Thailand: An implication for routine HAV immunization.
- 2025 The 2nd Prize PIDST Oral Presentation Award in 29th Annual Meeting of Pediatric Infectious Disease Society of Thailand, 2nd -4th May 2025, Study title "Comparison of Immunogenicity and Safety of Inactivated and Lived-Attenuated Hepatitis A Virus Vaccine among Healthy Thai Children and Adolescents: A Randomized, Open-Label, Active-Controlled, Non-Inferiority Trial

I. Presentation

Invited seminar

- Sep 2023 Update trends in pediatric infectious disease: Maximizing quality of patient care, The 5th Chiang Mai Conference on Pediatric Infectious Diseases (The 5th CMC-PID), Department of Pediatrics, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand
- May 2024 The 3rd one day in pediatrics ID conference, Department of Pediatrics, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand
- Nov 2024 Synergy in action: A multidisciplinary approach to pediatric infectious disease. The 6th Conference on Pediatric Infectious Disease (CPID 2024), Department of Pediatrics, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand
- Aug 2025 Updated Insights in Common Pediatric Infectious Diseases, Department of Pediatrics, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand

J. Book chapter

- Aug 2024 "Multisystem Inflammatory Syndrome in Children (MIS-C) in Pediatric Emergencies" in Pediatric Emergencies Book 2024

K. Skills

Languages Thai, English
